

Dementia Home Support Project gives you complete peace of mind

Specialist carer-needs led and client centred service to support residents of London Borough of Havering.

- Part funded by London Borough of Havering
- Charge of £7.50 per hour, to cover remaining costs
- For people with moderate to advanced dementia
- For carers who do not currently get a break
- Service is available Monday – Friday 8am-8pm
- Maximum of 6 hours per 4 weeks
- Hours can be used flexibly

We provide fully trained Care Support Workers to take over the caring role, while the carer has some well-deserved ‘time off’. The Care Support Worker can provide respite in the home or take the Client out into the community.
